# ABOUT YARMOUTH ROTARY RIBFEST

The Yarmouth Rotary Ribfest is about community. A community event that brings together people from all backgrounds to enjoy a traditional Canadian summer festival over food, drink and music, to meet up with friends, neighbours and make new ones. We aim to make Southwestern Nova Scotia a better place to live by raising money to invest back into our community from this event.

Our Ribbers are world class BBQ experts, cooking up traditional BBQ fare that is loved by many. Our food trucks serve up our favourite Canadian specialties such as poutine, fresh corn, blooming onions, beaver tails, lemonade and so much more. We will feature local musicians, giving them exposure as well as an opportunity to perform on a professional stage in front of crowds and a diverse audience. To entertain our younger audience we will create a kids zone with engaging games and activities. Yarmouth Rotary Ribfest will be a destination for the community, to gather and experience a traditional Canadian summer festival of outdoor fun.
